

Attention future Eagle Scouts looking for a project ...
RAPID CITY CLUB FOR BOYS NEEDS BUSES PAINTED

Recently the Club for Boys acquired two retired school buses for their use from the district. The only catch is that they cannot be used as long as they are still "school bus yellow".

This is a project that they would like completed over the summer of 2010. The Club has already budgeted for paint but they need someone to perform the labor or sanding, painting and supply any additional material associated with these tasks. They also would like the Scout responsible for this project to proudly paint his name and year on the side of the bus for recognition.

If this is something you are interested in, please contact Mark at the Rapid City Club for Boys as 605.343.3500 to make arrangements.

Also, please let Liz Smith with the Council know as we would like to track this project as one of our 100th Anniversary Celebration items and share it with the community.
